Attorney Docket No.: 112-041 :  
For: LAMINATED GLASS SYSTEM :

DECISION ON PETITION  
UNDER 37 CFR 1.137(b)

The petition to revive under 37 CFR 1.137(b) filed 26 December 2001 in the above-captioned application is hereby **GRANTED** as follows:

Applicant's statement that, "The failure to file a U.S. national phase was unintentional" is being interpreted to mean that the entire delay in filing the required reply from the due date for the reply until the filing of a grantable petition pursuant to this paragraph was unintentional. If this is an incorrect reading of applicant's statement applicant should contact the PCT Legal Office immediately. Applicant's statement and the prompt filing of the petition satisfies the requirement of 37 CFR 1.137(b)(3).

A review of the application file reveals that the applicant has submitted the basic national fee of \$445 and the requirements of 37 CFR 1.137(b) have been satisfied. Therefore, the request to revive the application abandoned under 35 U.S.C. 371(d) is granted as to the National Stage in the United States of America.

This application is being forwarded to the United States Designated/Elected Office (US/DO/EO) for continued processing including the issuance of a Notification of Missing Requirements (Form PCT/DO/EO/905) indicating that an oath or declaration and English translation of the International Application as filed are required.
